## A warm welcome to our new members.

One of the most enjoyable aspects of being Provincial Grand Master is meeting Brethren throughout the Province, most frequently in a Lodge and sometimes at a social event. I am always interested to hear how Brethren first 'got into' Freemasonry and even more pleased to hear how much they are enjoying being a member of our Ancient and Honourable Institution. One of the questions I always ask a new Freemason is "what does your wife think of Freemasonry?" To which I sometimes receive a quizzical look and the comment "can I tell her about it?" To which of course I answer "yes you can". Indeed, I believe it is very important to involve your wife in your masonry beyond asking her to wash your white gloves, a point which I am sure will resonate with your wife.

To help de-mystify Freemasonry for the wives and partners of our members we are holding two receptions for members who have joined during the past 3 years. Our intention is to meet in a relaxed and informal manner and to explain something about our wonderful Order. It will also give new Brethren the opportunity to chat with Provincial Officers. The two receptions will be held at Chippenham Masonic Hall on **Saturday 29<sup>th</sup> April** and Warminster Masonic hall on **Saturday 6<sup>th</sup> May**, both events will start at 7.00pm and for the very low price of £5 per head a light buffet will be provided. Over 200 new Freemasons have received an invitation, and I am delighted that online bookings are being made. The numbers attending the evenings will depend on the support and encouragement junior Brethren receive from senior Brethren in particular Lodge Mentors. I look forward to welcoming many 'new' Wiltshire Freemasons to either of the locations.

If you have received an invitation please do reply by 17<sup>th</sup> March using the online 'google form'

Ian Priest the Provincial Charity Steward is looking forward to the Charity Awards Event which this year is being held this coming Friday 3<sup>rd</sup> March at 7.00pm in the Masonic Hall, Chippenham.

## Chelsea Pensioners add more than a splash of colour at East Knoyle.

The Provincial Grand Master was joined by Brethren from the Royal Hospital Chelsea at the Installation meeting of Bro. Bob Betchley new Master of The Lodge of Innocence and Morality No. 9587. The glitter of the PrGM's chain and regalia is not often overshadowed, however on this special occasion Bro Philip Bullock expressed his delight to be the 'junior' Brother in the company of 'the Boys of the Old Brigade'. What a splendid sight they make.

## Masonic Charitable Foundation goes public in a big way.

The Masonic Charitable Foundation is launching its newest initiative - Community Awards 2017. A sum of £3 million has been committed to support 300 local and regional charities, and Wiltshire has been allocated four grants. The Province has nominated four charities to benefit from this generous initiative and it is hoped that Freemasons and members of the general public will cast their vote which will decide the amount each organisation receives.

# Vote for your favourite local charities

Each of the four charities will compete for a share of £50,000 made up of individual awards for £25,000, £15,000, £6,000 or £4,000. Every charity wins something and Provincial Charity Steward Ian Priest will be providing more detail in the next edition of *Wiltshire Masonic News*.

## Vale of White Horse Chapter No.1770 (Berkshire).

On Wednesday 8<sup>th</sup> February EComp Philip Bullock (Provincial Grand Master of Wiltshire) and EComp Andrew Tiffin Provincial Treasurer were invited as guests of the MEZ EComp Ray Pipe, to visit the Vale of White Horse Royal Arch Chapter No.1770. Although the Chapter meets in Faringdon, Oxfordshire they come under the banner of the Provincial Grand Chapter of Berkshire. A delightful form of triangulation between the three Provinces.

Following an excellent Ceremony, MEZ Ray Pipe presented the Provincial Grand Master with a cheque for £500.00 towards the Masonic Samaritan Fund Wiltshire 2017 Festival. The PrGM thanked the Companions of the Chapter for their generous donation and mentioned what a pleasant surprise it was to see so many Wiltshire Freemasons both members of the Chapter and visitors.

## Inside The Freemasons' to be shown on Sky 1.

Sky Television will be saying welcome to one of the oldest social networking organisations in the world; a fraternal order that welcomes members regardless of their status, creed or political persuasion – Freemasonry. Having been granted *unique and unprecedented access* to the Freemasons, *Inside The Freemasons* ' asks who are Freemasons and what do they do? As the United Grand Lodge of England celebrates its tercentenary in 2017, the presenters go beyond the myth and legend to discover what it means to be a Freemason today through the words and lives of Freemasons themselves.

Produced by Emporium Productions which was set up in 2015 by award-winning Executive Producer, Emma Read and leading UK independent television production company, Hat Trick, the five one hour programmes will explore what lies behind the familiar concept of Freemasons, and ask - What has motivated generations of men to join its ranks? What does the symbolism mean? How does public perception differ to reality? And what does Freemasonry have to offer men and society in the 21<sup>st</sup> Century? The broadcast date for the first episode of the documentary series 'Inside the Freemasons' will be Monday 17th April at 8.00pm on Sky1.
