

JUNE 2025

One of the joys...

Of being the Provincial Grand Master, and Grand Superintendent is the privilege of rewarding endeavour, service and support with Provincial Craft or Chapter Grand Rank. I have previously stated that promotion or an appointment is not only a reward for services rendered at Provincial level; It also carries with it the expectation that you will continue your commitment to ensure the harmonious running and growth of your Lodge. Your masonic experience is invaluable to support, guide, and encourage our newer members whether they wish to progress through the various offices or not. The desire just to be a Provincial Grand Officer in the Craft or the Royal Arch is itself not enough. So, remember sitting back and resting on your laurels is not an option.

Brethren receiving a promotion or first appointment will be invested at Provincial Grand Lodge which will be held at Trowbridge on Thursday 2nd October. Chief among the appointments are the Senior and the Junior Grand Wardens, and I am pleased to have been able to announce that Bros Colin Ayton, and Steve Darlington have accepted my invitation to fill the offices.

The Provincial Grand Secretary has sent details of the appointments and promotions to your Lodge Secretary and you will find a copy on pages 13, 14 and 15. I am sure that the Brethren of your Lodge will be pleased to receive your support at Provincial Grand Lodge.

At the start of my article I mentioned that not only was I the head of Craft Freemasonry but I am also the Grand Superintendent of the Royal Arch and it is that capacity that I support and promote the latest initiative from the UGLE aptly titled **Building Together**. This joint enterprise between UGLE and the SGC is a harmonised member support journey resource for use by Brethren and Companions. I am very aware that the concept of One Journey - One Organisation has struck a chord with many Wiltshire Freemasons and I am pleased to note the increase in Members joining the Royal Arch.

We all have an important role to play in promoting and improving the close relationship we all have with the various Masonic Orders in this Province. We are all, in one way or another, part of the larger Masonic Wiltshire family, and we must respect and support each other in whichever Order we choose to be a member. However, I would strongly encourage Master Masons to experience the Royal Arch and complete their journey in pure Antient Masonry before joining any other orders of Freemasonry however supportive I am, and will remain, of those other orders.

I am delighted to advise that bookings for the third annual Carols at Christmas service at Marlborough College have reached close on 300 - and it's only June. This event has proved to be very popular with so many of our Brethren and family members. Please do scan the QR code and let the team know you that you intend to attend. It may be six months away but I for one am looking forward to Oli Snell's superb mince pies.

Members of The Royal Sussex Lodge of Emulation No.355 paid a visit to Romania at the end of May and by all accounts they thoroughly enjoyed themselves with a visit to Bran Castle in Transylvania followed by a Lodge meeting at Bucharest.

Finally, I extend my personal invitation to all Master Masons to join me at The Civic, Trowbridge on Thursday 2nd October for the annual meeting of Provincial Grand Lodge.

Grand Lodge Appointments 2025...

The Provincial Grand Master John Reid is pleased to announce that at the recent Investiture meeting held in the Grand Temple of Freemasons Hall six Wiltshire Members received their first appointment to Grand Rank. Leading the team was Bro Steve Lee, Assistant Provincial Grand Master, who was honoured with the Grand Rank of Past Junior Grand Deacon.

Joining Steve to receive their collar and jewel from the Pro Grand Master were Rob Evans, and Barry Jordan-Davis both of whom were appointed Past Assistant Grand Director of Ceremonies; and Alan Colman, Ian Lever, and Richard Wright who were appointed Past Assistant Grand Standard Bearers.

The Provincial Grand Master in congratulating each of the newly appointed Officers pointed out that the honour bestowed was not only in recognition of the work they have performed in the Province but also in anticipation of the duties they will be expected to perform in the future.

It came as no surprise to the recipients that following their appointments being announced the Provincial Grand Master, true to his word invited them to accept new roles within the Province.

At the annual meeting of Provincial Grand Lodge in October Bro Richard Wright will be appointed Provincial Grand Director of Ceremonies, Bro Ian Lever will be appointed Provincial Grand Charity Steward, and Bro Alan Colman will be appointed Provincial Grand Mentor which will also include the brief for Learning and Development.

A number of other important changes of personnel are announced in this month's edition of [In Touch>On Line](#) along with news of the appointments and promotions in Provincial Grand Rank.

Jim Macleod takes the big chair...

Congratulations to Bro Jim Macleod on attaining the Chair of King Solomon at Lodge of Loyalty No.1533 meeting at Marlborough.

Jim is well known to Swindon Members as he forms part of a unique 'double act' with his long-time friend Sandy Steele-Davis when they go head to head at the New Temple Lodge No.8435 Burns Night supper.

Everyone would agree that the friendly jousting is almost as good as the traditional haggis and neeps.

But did you know there is another side to Jim - he's an International football player, but not for Scotland, in fact Jim plays for the Republic of Ireland Walking Football Team over 70's - IN GOAL - so not a lot of walking for Jim.

We all wish Jim the very best for his term in office.

Lodge of Loyalty No.1533 meet at the Masonic Hall, Oxford Street, Marlborough a home they share with Lodge of Good Fellowship No.8388 and Methuen Chapter No.1533.

The Lodge Room is one of the best in the Province and members have often spoken of its beautiful decoration. Visitors can be assured of a warm welcome.

Did you know?

Past Masters who have been presented with a Past Masters breast jewel are asked to remember that in this Province **the wearing of Lodge specific jewels is restricted to the Lodge to which they apply**; which means that when a member visits or joins another Lodge he does not wear a Past Master's or a Centenary breast jewel of another Lodge in that Lodge.

If you invite a member of another Province to visit it is perfectly in order, and a courtesy, to advise your guest of this ruling. A Freemason should not be offended at being made aware of this and in most circumstances would be grateful for the notification. A similar principle applies when visiting a Lodge in another Province; please make yourself aware of the policy of the Province and be respectful of their wishes.

Romania with Royal Sussex Lodge of Emulation No.355...

The Royal Sussex Lodge of Emulation No. 355 organised a visit to Bucharest, Romania, from 22nd to 25th May 2025 to celebrate the 5th Anniversary of Fidelitatea Lodge No. 456.

On Friday, the Brethren travelled to Transylvania for a private tour of Bran Castle, famously associated with Dracula. The experience included an engaging guided tour and a traditional Romanian lunch nearby, offering an authentic taste of the region.

That evening, members from both Lodges dined together at Locanta Jaristea, a renowned Bucharest restaurant that recreates the charm of the city's interwar "Little Paris" era. The owner, Kera Calița, joined our table in full period costume, reciting poetry and sharing vivid stories from the restaurant's own history, tales of bohemian gatherings, political intrigue, and the golden age of Romanian arts. A traditional band and singer performed throughout the evening, inspiring enthusiastic participation from the Brethren.

On Saturday we attended the Lodge meeting, celebrating Fidelitatea Lodge's 5th Anniversary. The Lodge welcomed the Pro Grand Master, and Grand Secretary of the National Grand Lodge of Romania, along with several Grand and Provincial Officers, over 100 attendees in total. Following the meeting, our Lodge presented an abridged demonstration of an Initiation ceremony, which was warmly received by the Romanian Brethren with a standing ovation. The trip was truly memorable, an experience rich in fraternal spirit and international brotherly love. We now look forward to hosting Fidelitatea Lodge in the UK next year.

Litter Picking at Ludgershall is community engagement...

We have heard a lot from the Centre about the need for Freemasons to engage with their local communities, indeed many of you will have noticed that the word charity has been replaced with the word service in the four principles that identify Freemasonry, and the UGLE has cited Community Engagement as being important if we are "To cement our reputation as a force for good in our communities and society at large". Community Engagement in Freemasonry encompasses service, and its importance is diagrammatically represented by the third pillar in UGLE's overall strategy for the future of Freemasonry.

For some people community service is defined as the engagement of individuals or groups in an organised activity that contributes to the local or national community. You might feel that what service and engagement have in common is that it embraces the act of volunteering, which itself is about people working on behalf of others or a particular cause, without payment, for their time and skills.

Service is first mentioned to the new Freemason when presented with the tools of the Degree; it is recognised as something we do in the normal course of our daily life. As an individual a Freemason is charged to practice every domestic and public virtue, and to maintain those truly Masonic ornaments of Benevolence and Charity in which Benevolence is an attitude of kindness and goodwill towards others, while charity is generally regarded as the actual act of giving, often money but also time and material aid to those in need.

For Wiltshire Freemasons engaging with local communities is as natural as breathing, and is something for which we have a long and illustrious record. Whether it's providing a Big Breakfast, collecting on behalf of the Royal British Legion, volunteering as a hospital driver, helping in a charity shop or foodbank. serving on a local authority, assisting a charity, and even litter picking - Wiltshire Freemasons have **always** been at the forefront of community engagement.

Becoming a Freemason does not make a person charitable (in its wider meaning) as is made clear when the Initiate is told that charity is the "distinguishing characteristic of a Freemason's heart" and concludes with these words "no doubt it has often been felt and practised by you" - confirmation, if any was required that a man who desires to be made a Freemason is already someone for whom charity is no stranger.

We can be justly proud of the fact that our Lodges and its members recognise the difference between 'talking about something and actually doing something' and being able to appreciate that it's not a **committee** that makes things happen, it's a **commitment**.

APPOINTMENT TO PROVINCIAL GRAND RANK

The number of appointments which can be made to Provincial Grand Rank each year is limited by the Book of Constitutions and in this Province is not sufficient for one from each Lodge, each year (see Rules 67-70).

The conferment of Rank is the prerogative of, and entirely at the discretion of the RW Provincial Grand Master, whose decision may not be questioned.

The honour conferred on a Brother is that of being appointed one of the Officers, Present or Past, of the Provincial Grand Master, irrespective of the Rank of the Office.

Rank is not only a reward for past service, but is to be regarded as an opportunity and incentive for further service to Masonry.
