NOTES

IN THE COLUMN: "GL OR PGL RANK DATE AND APPOINTMENT

Grand Ranks
Are printed in **bold** type
A past rank is preceded by a **P**

Provincial Grand Ranks
If active, Rank only is given, e.g. SW or JW. A past rank is followed by a P

IN ALL INSTANCES THE HIGHEST WILTSHIRE RANK (if held) where an active rank is given precedence to a past rank at the same level and THE YEAR INVESTED IS GIVEN AND IS always SHOWN FIRST, and then the highest rank from any other Province may be shown but without a date.

F before a name denotes a Founder
J before a name denotes a Joining Member
RJ before a name denotes a Re-Joining Member
***** a star before a name denotes membership of the Royal Arch

Past Masters in a Lodge are listed in order of the date of Joining that Lodge and show the Lodge from which they joined and the date they became Master of a Lodge (not necessarily that from which they joined). If initiated into the Lodge but subsequently becoming Master of another, the Lodge number given is the one from which the Mastership derived.

If they later become Master of the Lodge, they appear in date order with other Past Master of that Lodge and all reference to Lodges from which they joined and the date of the other Mastership is deleted.

The information given in this book has been compiled with the assistance of the Lodge Secretary or Chapter Scribe, their co-operation is very much appreciated. While considerable care is taken to ensure accuracy, should any error or omission be noticed or should any change occur in the name of any Secretary, Treasurer, Almoner or Charity Steward please bring it to the attention of the Editor.

WELCOME TO THE ROYAL ARCH
From Initiation to Exaltation

Every Master Mason should aspire to continue their journey from Initiation in the Craft to Exaltation as a Companion in the Royal Arch.

When the Antient and Modern Grand Lodges came together to form the United Grand Lodge of England in 1813 they declared that 'Pure Antient Masonry' consists of three degrees—the Entered Apprentice, the Fellow Craft, and the Master Mason including the Royal Arch.

This declaration still stands at the front of our Book of Constitutions and means there are four parts to a Freemason's journey. For historical reasons, the first three are governed by UGLE, while the Royal Arch is governed by the Supreme Grand Chapter of England—but in real terms we are one organisation.

By the time you become a Master Mason, you have learnt a lot on your masonic journey and made great progress. But you also learn that the journey is not finished because the genuine secrets of a Master Mason remain lost—this implies there is more to learn.
In the Royal Arch, you complete this journey and recover the true secrets of a Master Mason through a spectacular, colourful, and dramatic ceremony you will remember forever.

But the 'genuine secrets' you discover in the Royal Arch are not what you might think they are—they are even better.

You also learn the important lessons of companionship and collaboration—just as the three original Grand Masters worked together to build King Solomon's Temple, everything in the Royal Arch is done as part of a team

This emphasises the further friendship and companionship to be found within the Order, and the important value of working together in harmony with others.

In addition, what you learn as a Royal Arch Mason encourages you to act as an example to support and inspire others
